

Xpand Out of Right and Wrong

Now you grasp your sovereign savvy that gallantly xpands you out of thinking and knowing inside the chiding control of right and wrong to understand and admire the fiery foresight and liberating

Acuity that life stays the same until you realize and esteem your convenient comfort zone is unadmitted apathy stuck in right and wrong thought patterns keep the unconscious and

Subconscious mind chronicled in past events encounters and experiences controlling your present moment life by admitting your life stays the same till you admit you're stuck in the yuck of right and

Wrong by shedding and shredding this you get rid of your innermost chiding hiding haunt within you by experiencing this you quiet the subconscious mind frozen in time images descriptions words

Emotions feelings and representations from your embedded life events encounters and experiences opened your ultramundane fame of forthright acumen magically energizing your sassy savant to instantly

Shed and shred right and wrong thinking knowing and learning innergizes you xpress inspiration for thinking understanding for knowing comprehending for learning and wisdom for knowledge

As you rouse with rebellious wisdom xpressing pure liberation understanding discharging right and wrong that created stress from your overthinking mind to control that keeps you whirling

In the bullshit boundaries of societal thinking and socialized knowing trying to fit into the material clicks of socialized bureaucracy that passed away yesterday as I AM awakenedaware of the dare

To realize and admit you are liberated from your thinking knowing memories opened your inspired artistry to design color and image your dreamers paradises of your subconscious scenery of peace

Xpand Out of Right and Wrong

What are your first words you speak in the morning start your day good bad or indifferent?

Why do these words create your day?

Xpand Out of Right and Wrong

Describe your Individuality about you to you?

Xpand Out of Right and Wrong

Thank You
